

“Building a Better Place for Animals”

Donations

**Donations are needed for our Capital Campaign to build our
PAWS (Pendleton Animal Welfare Shelter)**

Through donations and volunteers our PAWS building has progressed enough to start putting on our new roof and HVAC. Unfortunately that is going to deplete our Capital Campaign funds. We are trying to raise the money for future renovations. We are asking for you to please donate and support a wonderful cause that will benefit our communities.

Please detach the bottom portion and return to Pioneer Humane Society
